Dear Sir:

Re: N.W. 12-57-19-W.4th

I should be very obliged to you for your information regarding the status of naturalization of Josef Palichuk, when he applied for a patent on above land. This man says that he had the certificate of naturalization, but it lost in fire. Now he needs to have a proof that he had been naturalized in order to get his patent for his second homestead.

Thanking you in advance for your reply in this matter by earlier of your convinent.

Dear Sir: Re: N.W. 12-57-19-W.4th

I should be very obliged to you for your information regarding the status of naturalization of Josef Palichuk, when he applied for a patent on above land. This man says that he had the certificate of naturalization, but it lost in fire. Now he needs to have a proof that he had been naturalized in order to get his patent for his second homestead.

Thanking you in advance for your reply in this matter by earlier of your convinent.

Yours very truly,

NICHOLAS W. GAVINCHUK.

Sir,

In reply to your letter of the 12th ultimo enclosing one from David Grant in which he states that having withdrawn the S. E. 1/4 of section 10, township 9, Range 1, west of the fourth meridian, from his lease he desires a piece of affiliated strip on the S. E. 1/4 of the said section, I beg to say that according to the records this information is correct, but would point out that the fact that Mr. Grant has withdrawn the S. E. 1/4 does not give him any preferential right as a homesteader, and that if the quarter section had not already been posted for sale it will be necessary to do so before through the land agent to the public.

You may inform Mr. Grant accordingly and advise Mr. David Grant.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $80.00 was advanced to Dan Covey on the security of the above mentioned land. A payment of $80.00 was received in 1917 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 6.35	$ 11.72	$ 18.07

Patent was issued in the name of John Barton for the N.W. 30-9-16 W.4. on the 9th of January, 1907. The land was later acquired by a Mr. Johanna Hammer, who in 1915, obtained an advance of seed grain on the security of the land and which account has since been settled in full.

On the 21st of October, 1914, a Mr. Dan Covey signed promisory note for $80.00 for relief advanced him, stating that he was the renter of the S.½ of the N.W. 30-9-16 W.4. At the time of obtaining the advance of relief the debtor held no equity in the land nor was he living on same. On the 4th of May, 1917, a payment of $80.00 was made and applied to the principal and interest, leaving only a small balance of $6.35 outstanding.

The whereabouts of the debtor is now unknown and it is considered that there is no possibility of collection. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

Sir,-

S.E. ¼ Sec. 16 Tp. 51 Rge. 1 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I have your letter of the 8th instant and in reply I am to state that according to our records Andrew Melin never held under homestead entry the S.E. 10-47-27-W.4th M.

I might state, however, that we have record of one Andrew Melin who obtained patent for the land described at the head of my letter bearing date of the 23rd January, 1903. The said Melin obtained this land as a homestead on the 22nd December, 1898. He completed the duties under the terms of his entry and patent issued in his favour on the date above mentioned.

Dear Sir:

RE: S.E. 20-52-16-W.4th M.
Maksem Klemsczko (Deceased).

I have your letter of the 8th instant, and in reply I am to state that according to our records Maksem Klemsczko filed on the above described land as a homestead in the month of June, 1902. He died on the 1st April, 1907, intestate, and Letters of Administration bearing date of the 8th June, 1910, in favour of Julia Klemsczko were filed here. It was established that the required cultivation duties had been performed in accordance with the regulations and patent bearing date of the 31st August, 1911, issued in favour of Mrs. Julia Klemsczko as personal representative of the late Maksem Klemsczko.

In the case of a deceased homesteader it was not necessary for the legal representative to establish that he or she was a British subject, consequently Mrs. Klemsczko was not called upon to establish her nationality.

In any event the question of naturalization comes under the jurisdiction of the Department of Secretary of State, and I am forwarding your letter along with a copy of my reply thereto to the Under-Secretary of State, Naturalization Branch in this City. You will no doubt be further advised from that source in due course.

Yours very truly,

J. Lorne Turner,

Sir,-

N.E. ¼ of Sec.14 Tp.40 Rge.17 West4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

DOMINION LANDS ADMINISTRATION

OTTAWA, 27th July, 1928.

Copy to the A.D.L. Edmonton.
Ref. # 66386.

Sir,-

S.W. ¼ Sec. 10 Tp. 55 Rge. 1 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1929, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands of the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

DECLARATION OF JOS. ROBINSON.

Advocates
Strathcona, Alberta.

EB

Department of the Interior.
Canada.

789110

Ottawa, 2nd October, 1906.

Gentlemen,

I am directed to express regret that it is found necessary to return to you the certified copy of the grants of the last will and testament of the late Ira Reid Allison, and the [illegible] S.E.[illegible] -Ai-li-[illegible], all Indians, of Saskatchewan executor of the last will and testament of Norma Allison, deceased, to Jessie Agnes Allison, which were sent back to this Department from Prince Albert on the 25th ultimo.

The copy of the letters private are not satisfactory as such letters are retained in the court in the province of Ontario, and cannot be accepted as [illegible] - re-sealed or re-issued - in the proper Court of the Province of Alberta, the district in which the question is situated. It is usually the custom to issue upon the application of the [illegible] of Dublin, the [illegible] representative of the deceased person, the letters of administration or letters probate, as the case may be, [illegible] in which the land is situated, unless letters pro-

Messrs. Rutherford, [illegible] & Rose,
Barristers,
Strathcona, Alta.,

been already obtained in the Court of some other Province of Country, in which case ancillary letters must be obtained from the proper Court of the Province in which the land is situated. Consequently the certificate of the Deputy Registrar of the Court at Brockville, on the enclosed copy of letters probate, that it is a true copy thereof, is not sufficient for the purposes of this transfer. A certificate over the signature and seal of the proper officer of the Court in Alberta where the Ontario letters probate have been "re-sealed" is what is required.

The transfer is not a transfer from the executor of the last will and testament of the late Archibald Davidson and this is what is required here. It is a transfer from Joseph Clarkson Davidson executor of the last will and testament of Eliza Davidson, deceased.

Promptly upon receipt here of a properly certified copy of the letters probate of the last will and testament of the late Archibald Davidson after they have been accepted by the proper Court of the Province of Alberta, by which Clerk the copy is to be certified, and upon the receipt here of a transfer of the land in question from the executor of the last will and testament of the late Archibald Davidson to Jessie Agnes Davidson letters patent for the land will be issued in due course to refer.

It is noted that in the enclosed copy of letters probate the executor's surname is spelled "Dobson" and not "Davidson" as it is spelled in the

enclosed

enclosed deed and as it is signed. If "Robinson" is the executor's surname, a [illegible] declaration in which this fact is stated must be sent with the certified copy of letters [illegible] for the instrument.

Sir,-

I have to acknowledge the receipt of your letter of the 4th. inst. and in reply to say that the privilege of a second homestead is restricted by Act of Parliament to those settlers who completed the duties upon their first homestead on or before the 2nd. of June, 1889.

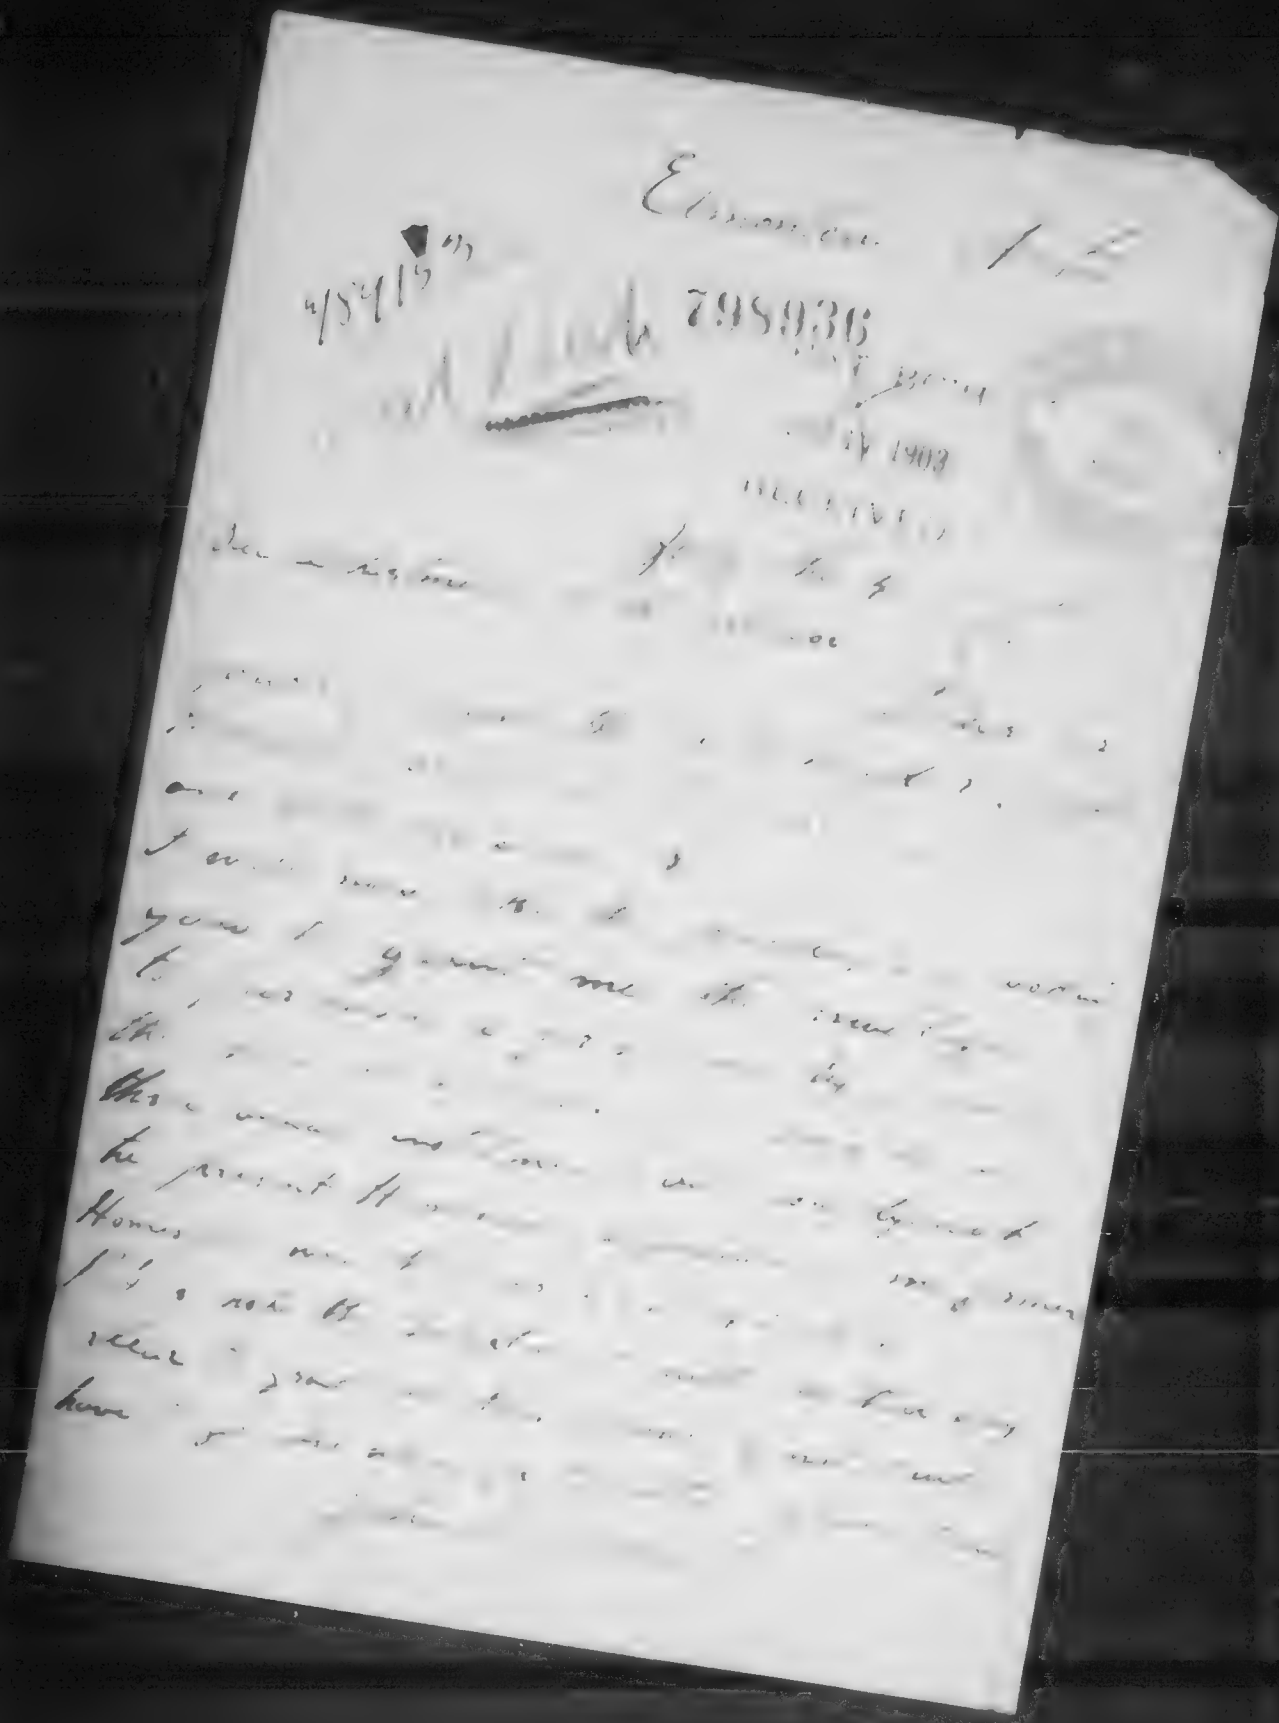

Accordingly, on the evidence filed in support of your application for patent for the S. W. 1/4 of Sec. 24, Tp. 4, Rge. 28 West of the 4th Mer. the land until the 7th. of November, 1906, and, as all your duties were performed subsequent to that date, it is evident you cannot be granted the privilege you seek. I am to express regret that there is no way in which your claim can, at this late a [illegible] period, be sustained, and to point out that no exception in your favour.

With regard to your desire to purchase a quarter-section at the minimum rate of $1.50 per acre, I am to explain that this privilege is granted only in certain special cases and your circumstances are not such as would justify the Department in acceding to this offer.

Mr. Hume:

Mr. John McInnes obtained patent for the North West quarter of Section 22, Township 54, Range 25, West of the 4th Meridian, on the 5th July, 1906, and was, therefore, not entitled to secure a second Homestead entry.

In view of representations that he sold his homestead at $3.00 per acre to reduce his seed grain indebtedness he was allowed on the 2nd November, 1905, to purchase any available quarter section at $3.00 per acre, subject to homestead duties.

He subsequently took advantage of this authority and purchased, subject to homestead duties, the North West quarter of Section 12, Township 66, Range 15, West of the 4th Meridian. On the 2nd May, 1916, he abandoned this land and requested to be credited with payments made, namely, $106.80, in connection with same on any new location he might choose.

The case was submitted on the 14th June, 1916, hereunder marked, and the Deputy Minister allowed him authority to purchase another quarter section in lieu of the above mentioned and to be credited with the moneys paid. He was allowed ninety days from the 3rd August, 1916, within which to re-enter. The time was later extended by the Deputy Minister to the 1st July, 1917.

Mr. Marier of the Land Patents Branch submitted this case to Mr. M. O. Cote on the 16th May, 1918, pointing out that the time allowed Mr. McInnes to take advantage of the Departmental offer had expired on the 1st July, 1917, and he had failed to take advantage of same. Mr. Cote ruled that no further action appeared necessary.

You will, therefore, note that the authority granted Mr. McInnes to buy a quarter section at the rate of $3.00 per acre, subject to ordinary homestead duties, has not been cancelled unless you consider that the authority automatically cancelled on the expiration of the time allowed, namely, the 1st July

-1917-

1917.

Mr. McInnes now writes in under date of the 26th ultimo, requesting that he be allowed to exercise the right granted him and represents that as he was unwell on the 1st July, 1917, he was unable to homestead and now that he is feeling better would like to get a piece of land for himself and requests that he be allowed the privilege of purchased homestead right.

The case is submitted as to whether any consideration is to be allowed Mr. McInnes, and if so, I assume that the rate will now be ~~Ten~~ Five per acre if allowed to purchase.

Dear Mr.Orr:

John Johnson has exhausted all homestead right and was allowed in 1905 to buy another quarter section at $3.00 per acre, subject to homestead duties.

In 1916 he was given authority to purchase another quarter section in lieu of one which he had selected, or it to be given him for money paid in connection with his first selection. He has never made a second application.

This case was held over as it was thought that possibly the order-in-council regarding the removal of settlers might make provision for a free homestead entry but Mr. Johnson is not within the treat to which the order-in-council of the 9th ay last refers.

I am now re-submitting the case for further consideration of your memo of the 30th April last, namely that Mr. Johnson be allowed to buy an available quarter section on the ordinary terms and allow a final period of ninety days to make his selection.

Respectfully submitted.

Sir,

Re E.½ 18-56-15- . 4th Mar.

Referring to your communication of the 26th March last, wherein you give your reason for failure to purchase a quarter section at $3.00 per acre as authorized and now ask that you be allowed this privilege, I beg to inform you that it has been decided to allow a final period of ninety days from this date to make a selection of the quarter section desired and of filing on same subject to the original terms, namely, $3.00 per acre.

You will note that the sale is subject to the ordinary homestead duties and it will be necessary for you to perform the required residence and cultivation duties in each of three years.

Kindly note that this is a final chance and should you fail to exercise the right granted you within the ninety days, the privilege will be rescinded.

It is noted that you obtained patent for the North-west quarter of Section 21, Township 54, Range 23, West fourth Meridian, and took the advantage of the authority to purchase, subject to the homestead duties, in connection with the above described quarter section which you abandoned in May 1916.

Sir,

I am directed to acknowledge your letter of the 8th ultimo, covering a petition signed by Peter Erasmus and others of Victoria Settlement, in regard to the excess area of certain river lots on which they are settled and in which the petitioners ask that such excess may be granted to them free as a portion of their homestead. The lots in question are as follows:-

No. of Lot.	Owner.	Acres in excess.
11	P. Erasmus	11 acres.
12	M. Cromarty.	72 "
13	Widow of Wm. Horn,	6 "
14	C. Horn	8 "
16	Samuel Whitford, Sr.	6 "
18	Simon P. Whitford.	22 "

In reply I am to say that the matter has been carefully considered and that, while it is impossible to make a free grant of more than 160 acres as a homestead it has been decided that the settlers may acquire the excess over the 160 acres at the rate of $1.00 per acre. The Agent of Dominion Lands at Edmonton has been instructed accordingly.

DOMINION LANDS OFFICE.

Calgary, May 30th, 1905.

Sir:-

Replying to your communication of the 22nd inst., fyle No. 27649A-789569, enclosing a copy of a letter from Mr.John Children of Okotoks, dated the 3rd inst., I beg leave to say the Homestead Inspector is being instructed to visit the North East quarter of Section 4, Township 20, Range 2, West of the 5th, for the purpose of ascertaining whether the duties are being satisfactorily performed as requested by you, and a copy of this letter is being forwarded Mr.Homestead Inspector Bryant in order that he may govern himself accordingly.

Personally I do not know Mr.Children. I never remember meeting him in my life and I do not think he knows me even by sight. So far as I can see by the fyle in this office Mr.Children's questions have been satisfactorily answered from time to time. The only thing that appears to have been neglected was the forwarding to Head Office of a certain Statutory Declaration made by Mr.Children on the 28th ult., relating to the duties in connection with said land which I now enclose. You will observe that Mr.Durkin, then of this office staff, filled out the Declaration and my Senior Assistant, Mr.Douglas, swore the gentleman; apparently I did not see him at all.

As to the second paragraph of Mr.Children's letter in which he states that "he had seen the Agent and that it was hard to do business with him as he was drunk a good share of the time," I may say that I intend asking Mr.Children to make a retraction to Head Office and if he does not do so I intend to take action against him, as he or no other man has

seen me under the influence of liquor in this land office or in Calgary since I enter the Service, and if Head Office has any doubts about it I would ask that the Inspector of Agencies be instructed to make inquiries and report. Mr.Children must have reference to someone else whom he has mistaken for the Agent.

A copy of this letter is being forwarded to Mr.Children for his information.

I have the honour to be, Sir,

Your obedient servant,

Agent.
